

The Long Branch Area YMCA is for all.

Financial Sponsorship Program

The Long Branch Area YMCA is a non-profit organization that puts Christian principles into practice through programs that build healthy spirit, mind and body for all. We are here to serve people of all ages, abilities, and socio-economic backgrounds. The Y is community based and believes that programs should be available for all. That is why we offer sponsorships for membership and program fees.

Individuals interested in financial assistance are required to complete the application and provide all requested criteria, listed below, to the Y so that financial sponsorship can be provided in a fair and consistent manner. Sponsorship is available for membership and/or Y programs and is renewed on an annual basis. All fees are subject to change when reapplying for assistance. If you do not reapply when required, your fees will increase to the current full membership and program rates.

To process your application we require the following documents to be submitted, as applicable. If any of the following documentation is not submitted, your request for assistance may not be processed. If any required criteria cannot be submitted it should be addressed on the back of your application and at Membership Director's discretion may be accepted.

- Copy of last year's Federal tax return for all adults included in application
- Copy of Social Security or Disability statement for all adults included in application
- Copy of paperwork for any income received by all adults on application (i.e. welfare benefits)
- Completed LBA YMCA Financial Assistance application
- Explanation of circumstances (detailed information will assist the Y in understanding your needs)

Please allow 7 business days for processing. The Y will contact you at the phone number or email address listed.
